

PRODUCERS ARE AFTER SCALP OF GREENVILLE MEN

Corsicana Ended Series by Taking Two Out of Three Games; Has Chance to Recover on Road Trip.

(Special to Ardmoreite.)

ARDMORE, Tex. — Ardmore's Producers left here at a fast gallop Monday morning bent on reaping a crop of revenge from the Greenville Togs on their home lot this afternoon in the first game of the two days series. Bogus and his clansmen left Corsicana after dropping the Gumbo Busters a pair of games out of the three scheduled. Producers' visits at Sherman, Mexia and here, knocked the league crown from their heads and in a shaky third paw Bogus left with the team's pledged support to make the Greenville and Paris visits bring his team back into high place. The Producers return to their home town on July 22. Paryman is booked to take the mound in the opening game at Greenville.

Producers' scut-paw Yeager failed to make a good reckoning with the Gumb-Bunched hitting while the locals needed them and then straight fielding work while Bogus' men stood at the rubber claimed a final victory of 4 to 1 for Corsicana. "Lefty" Yeager directed his usual fire throughout the game but it failed to baffle the local Texans. The Gumbo Busters leave here this afternoon for Sherman.

Wilson Defeats Guthrie in a 12-Inning Session

WILSON — With Guthrie starting out in the first three innings with six score lead Wilson rallied for a tie in the ninth, staged a comeback that again tied the count in the eleventh when Guthrie claimed two more scores, and finally won the game with Wade's circuit clout in the twelfth frame with Thissel on the sack. Hastell's stick work was a feature, while Wade and Blackburn were big factors in Wilson's victory with three timely hits each. Williams was Guthrie's lone star driving in five of their eight scores.

Score by innings: R H E. Guthrie 204 000 020—3 16 2. Wilson 000 022 101 022—10 12 5. Batteries—Geddes, Jennings and Payment; Crowson, Bulla and Wade.

SPORT BRIEFS

First place in the national league today hinged on the outcome of the third game of the New York-St. Louis series. The Cardinals, who cut down the Giants lead 3 and a half games in a week climbed to within half a game of top taking the second straight from the champions, 1 to 0. Bill Sherdel out pitched Jess Barnes and Fournier drove in the winning tally in the eighth. The Yanks sustained their second shutout of the season and dropped farther behind the league leading Browns by losing the second game of the series to the White Sox 4 to 0. Red Faber held Murderers Row to three scattered hits while Gleason's men pounded Joe Burt hard.

Dixie Davis had the better of a duel with the veteran Walter Johnson and St. Louis blanked Washington 2 to 0, in closing its lead to one and a half games.

Returning to their own grounds for a single game before resuming their western tour, the Brooklyn Dodgers braced and beat Pittsburgh 6 to 2, with Burtleigh Grimes in rare form.

Boston hit Pete Donahue hard and took a closely fought game from Cincinnati 5-4, while Philadelphia knocked Alexander from the box and won its second straight from Chicago 10 to 7.

Max Flack, the former cub outfielder made 3 of the Cards seven hits.

"Hack" Miller, heavy hitting outfielder of the Cubs, knocked out his fourth home run in three days and his eighth of the season.

Timely hitting by Hy Myers helped the Dodgers victory over the Pirates, 5-4. His triple with the bases full gave Brooklyn the lead.

Mitchell, the "Dodger" first baseman, had a perfect day at bat with four hits, including a double, in four times up.

Yarman and Hooper of the White Sox clouded home runs while the best effort of "Babe" Ruth was a single in four times.

George Sisler stole two bases and brought his total for the season to 34.

PETE DONAHUE BEST YOUNG PITCHER IN NATIONAL LEAGUE-LIME LIGHT

Pete Donahue.

By BILLY EVANS. Who is the best young pitcher that has broken into the National League in years?

There doesn't seem much doubt as to the answer to that question. Pete Donahue of the Cincinnati Reds is unanimously conceded the honor.

Few pitchers in the history of the game have met with the extraordinary success that has followed Donahue ever since he made his National League debut.

Three years ago Donahue was pitching for a small college team down in Texas and doing a mighty good job of it. His fame, however, was little known even in his own state.

Today Pete Donahue is one of the most talked about pitchers in the game. He is regarded as one of the stars of the National League.

Only recently Manager McGraw of the New York Giants caused the sporting spotlight to be focused on the young collegian from Texas. Said Manager McGraw:

"If Donahue were placed on the market I would willingly bid \$100,000 for him. He is the best young pitcher that has broken into the National League in years. If the Giants had him the pennant would be clinched."

A Finished Fitcher.

Recently, while umpiring in New York I bumped into Billy Murray, famous as a big league manager and scout. Our conversation drifted to the pitching end of the game. We started discussing the recruits. When Murray blurted out:

"When you start talking about 'rookie' pitchers, this young fellow Donahue of the Cincinnati club has them all stopped. He is a finished pitcher right now and he hasn't been in the big league much over a year. As a matter of fact he was a finished pitcher when he broke in."

"This fellow Donahue has everything. He reminds you a bit of the late Addie Joss in build and delivery. He has speed, a fine curve and a beautiful change of pace. In Donahue the Cincinnati club has another Mathewson."

SRARAZAN WAS PUZZLE ON LINKS

He is First Latin to Win Golf Title; His Victory Came as Surprise to Many Who Followed Game.

CHICAGO — In addition to being the first person of the Latin races to win the national open golf championship, Gene Sarazen of Pittsburgh, the 21 year old professional, who won at Skokie is the first to win a national golf title and yet be so little known to golf experts none can describe the style of his play.

The genial youngster who snatched the prime golf honors from a field of 329 doughty Scots and American ploughed his way around the Skokie course twice in the qualifying rounds and four times in the championship, yet no one paid any attention to him until he turned into the last nine.

Then, when word spread he had scored 33 for the penultimate nine, the golf writers alone realized he had a goodly chance to down the better known players. But the frisky strapping was already on his way to the 10th green and there were Hagen, the sturdy John Black and Bobby Jones to watch. So the lad of Italian ancestry tripped home in 35 for a record 68 in any championship round, before the news really spread he might be the winner.

Would Standardize Danger and Caution Signals in Nation

The suggestion that the familiar red or automobile tail lights be changed to yellow as part of a plan to standardize all danger and caution signals made by the signal section of the American Railway association as a result of a conference held by the American Engineering Standards committee.

It is hoped that all railroad signals and ordinary road signals will be brought to the same standard so that there will be no confusion in the public mind as to what the lights mean. It is thought that automobile lights could be changed more easily than railroad lights.

The recommendations are that red be used as the stop signal everywhere, except that it may be used in streets, as at present; that yellow be used for the tail lights of automobiles for calling policemen or for any other purpose where caution is required, and that green lights be used for fire escape as the signal to proceed at street crossings and for other purposes to indicate that the way is clear. These signals would compare with the way these lights are now used by the railroads and would make all signal systems uniform.

Four Contenders for Cup. NEW YORK. — Of the 14 nations which challenged the United States to defend the Davis cup, symbolic of the world's tennis championship only four remain as possible contenders—Australia, France, Spain and the British isles.

Three drunks and two alleged fighters were arrested by police Saturday night. Two more drunks and a young boy who is charged with stealing a lawn mower were arrested Sunday.

COVERING THE STRIKE FIELD

(By the Associated Press)

Proceedings in the railway strike temporarily were at a standstill today. Rail heads and strike leaders expected today's developments to indicate an early outcome, however.

Mr. Grable said he would confer with members of the United States railroad labor board here to get support to prevent carriers from requiring maintenance of way men to do strikers work. He also said he had called a meeting of the brotherhood's grand lodge, to be held in Detroit Thursday.

Another indication of a drift toward peace was seen in the statement of R. A. Henning, general chairman of the federated shop crafts of the northwest, that only the refusal of eastern roads to agree to reinstate striking shop crafts workers with their seniority rights was preventing a settlement as far as the roads of the northwest are concerned.

Possible Extension.

Possible extension of the strike was forecast in the statement of Wm. Parker, head of the eastern chairman of railway workers, that local officials in eastern centers were having increasing difficulty in holding the maintenance of way men at their jobs.

A message to E. H. Fitzgerald, head of the clerks, freight handlers, express and station employees union, said a strike vote of 8,000 clerks on the Chicago and Northwestern railroad showed 93 per cent of the men favoring a walkout and asking for authority to strike.

A canvass of the strike vote of the same organization on the Chicago and eastern Illinois road showed 98 1/2 per cent of the workers favoring a walkout, according to representatives of the union.

Clerks Take Ballot.

Strike ballots are being circulated by the brotherhood of railway and steamship clerks, freight handlers and express employees to its members employed by the Southern Railway and affiliated lines. The employees charge that the company reduced wages in defiance of the railroad labor board. Clerks and station employees of more

than 60 of the 201 class one roads have taken strike votes, according to information received here.

At Milwaukee failure to receive a strike order from President Timothy Healy of the International Stationary Firemen and Oilers' Union was taken as a sign of nearby peace.

Reports of cancellation of trains because of shortage of coal or equipment and violence, continued to come.

Governor Warns Strikers.

Governor Kendall of Iowa, issued a warning to mine and railroad strikers and sympathizers in that state not to interfere with the activities of the railroads, following a reported molestation of strike breakers.

Six of 13 special agents and guards of the Atlantic coast line, kidnaped by a mob of alleged strikers and sympathizers were still missing and the governor was requested to send troops to Rocky Mount, N. C., scene of the kidnaping.

Attempt to dynamite the Baltimore and Ohio railroad bridge at Picketts Creek, near Fairmont, W. Va., slightly damaged tracks.

Trains Are Wrecked.

One train wreck and two alleged attempts to wreck other passenger trains were recorded on New England lines over the week end.

Reports have been received in Washington by the war department and the postmaster general on the situation at Denison, Texas. There has been some delay in the delivery of mails but no actual interruption.
